Martin Named Partner for Corporate Technology Solutions

MILWAUKEE, Wis. -- Aaron Martin has been named partner for Corporate Technology Solutions (CTS). Prior to this promotion, Martin had been serving as associate partner with the company for 4 years. In Martin's new role as partner he will be part of the core team actively managing the day-to-day operations of CTS. In addition, Martin will continue to work on developing software for clients, and providing mentorship and input into the internal recruiting processes.

Martin has over 7 years of experience in IT. His primary focus at CTS has been on working with the Financial Services industry. However, he comes from a rich background of expertise in a variety of industries.

Martin holds a Bachelor of Business Administration -- Management Information Systems/Finance from University of Wisconsin Milwaukee. He resides in Germantown with his family.

CTS provides its clients in the health care and financial industries with complete, integrated information technology solutions. The company offers quality, experienced consultants who provide technical leadership through an entire project life cycle and functional expertise which produces successful business solutions. For more information on CTS, visit. www.consult-cts.com or call 414.291-2715.
